

MISSOURI DEPARTMENT OF TRANSPORTATION

OUTDOOR ADVERTISING VEGETATION PERMIT

Sign Permit Number: [Parent Permit Number] Date Issued: [Status Date]

Vegetation Permit Number: [Permit Number] Expiration Date: [Expiration Date]

In accordance with 7 CSR 10-6.085, this vegetation permit is being issued to [Owner Name] [Owner Address], [Owner City], [Owner State] [Owner Zip] to trim or cut vegetation for a [Status] sign in a(n) [Land Use] area located along [Route] at county log mile [Log] on the [Side] side of the road in [County] County on property owned by [Land Owner Name], [Land Address], [Land City], [Land State] [Land Zip].

Access to the vegetation area must be from private property. At no time is sign owner or contractor allowed to park on the highway, pavement, shoulder or grassy area while performing the work outlined in the permit.

All right of way shall be restored by removing all debris, filling all ruts, reseeding and adding mulch.

All grass, brush and low-lying vegetation may be trimmed no less than six inches (6") in height to prevent slope erosion. Hand trimming must be performed on slopes greater than 3 to 1.

The owner/contractor must have a copy of the permit in their possession while performing the scheduled work.

The owner/contractor must notify the Permit Specialist of the date and time work is scheduled.

Additional instructions and restrictions:

David B. Nichols
Chief Engineer
