

# Missouri Department of Transportation Public Participation Survey

Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), related statutes, and regulations, provide that no person shall, on the ground of race, color, national origin, or gender, be excluded from participation in, be denied the benefits of, or be subjected to, discrimination under any program or activity receiving Federal funds. The entire institution, whether educational, private, or governmental, must comply with Federal civil rights laws, not just the particular programs or activities receiving the Federal funds.

The Missouri Department of Transportation, a recipient of Federal funding, and Federal Highway Administration are committed to ensuring that projects, programs, and services are performed without discrimination under Title VI.
